Notice of Motion No. 169

Council Support for the Knox Business Awards Run By the Rotary Club of Rowville and Lysterfield

I hereby give notice that it is my intention to move the following motion at the Council Meeting on 24 February 2025:

That a high level report be presented to Council at the March 2025 Meeting of Council outlining:

1. What Council is doing to assist with the Knox Business Awards being organised by the Rotary Club of Rowville and Lysterfield; and
2. The potential opportunities for how these awards can be widened to the whole of Knox and include all kinds of businesses.
