# Welcome

Welcome to Knox **StageScape**, a Community Performing Arts Festival at Knox Community Arts Centre, where the spotlight is on local talent!

This incredible event celebrates the creativity and skill of artists from our Knox community. Over the course of five nights, you will have the opportunity to experience the rich artistic culture in our own backyard and support the local performers who bring passion and dedication to their craft.

The lineup at **StageScape** will showcase a mixture of live performances and will feature everything from music and dance to theatre, comedy and more! A perfect night out for anyone interested in performing arts or anyone looking to experience something new, exciting and local.

Each act will be performed by a local member of our community. They will have you captivated by the creativity and energy that will light up the stage and leave you talking long after the curtain falls.

Thank you for actively supporting the growth of local artists and helping nurture the artistic community who make our world a more vibrant place.
